NOTE BY THE TECHNICAL SECRETARIAT

CALL FOR NOMINATIONS TO THE SCIENTIFIC ADVISORY BOARD

1. The Technical Secretariat (hereinafter “the Secretariat”) wishes to inform States Parties that three members of the Scientific Advisory Board (SAB) will complete their second term by 17 August 2011, and another three, by 30 November 2011. The list of those SAB members whose terms of office are due to finish in 2011 appears in Annex 1 to this Note.
2. In light of the above, the Secretariat invites States Parties to nominate one or more qualified experts, to be appointed by the Director-General after a selection process, to serve on the SAB. The terms of reference of the SAB, which are annexed to a decision of the Conference of the States Parties at its Second Session (C-II/DEC.10/Rev.1, dated 2 December 2004), stipulate in paragraph 6 that “[t]he term of office of members of the Board shall be three years. A Board member may serve for two consecutive terms”.
3. With reference to paragraph 4 of the aforementioned terms of reference, nominees to be proposed should be eminent persons active at such institutions as research institutions, universities, chemical-industry companies, and defence and military organisations, who will be selected on the basis of their expertise in one or more of the particular scientific fields relevant to the implementation of the Chemical Weapons Convention (hereinafter “the Convention”). Paragraph 4 further stipulates that “preference shall be given to persons who are knowledgeable about the relevant scientific and technological developments, and who are familiar with the implementation of the Convention. Efforts shall be made to maintain a balance between the areas of research, development and applications”.
4. In addition, nominees should be proposed on the basis of their qualifications and experience, with States Parties taking into account their publications, scientific, academic or professional activities, distinctions, and international experience, with due regard to the area of speciality.
5. When selecting candidates for nomination, States Parties should also take into consideration the fact that science and technology are advancing rapidly in areas that are relevant to the Convention. Accordingly, and with reference to paragraph 4 of EC-38/DG.18 (dated 16 September 2004), States Parties may wish to nominate candidates with backgrounds in industrial chemistry, in the synthesis and screening of

new biologically active compounds, and in the development of new chemical processes.

6. The Secretariat requests States Parties to submit nominations, using the attached nomination form (see Annex 2), **by 27 May 2011** at the latest. The form should be accompanied by the curriculum vitae of the nominee.

Annexes:

Annex 1: List of Those SAB Members Whose Terms of Office Are Due to Finish in 2011
